

Atwood Lions Membership Plan 2009/2010

Every year we try to have a golf outing where all members are asked to bring a prospective new member. After the golf game, we have a social time with the new prospects.

A bigger plan that I would like to see through this year is a community meet and greet/supper/dance. I would like to build it around the idea of coming out to meet your local Lions members. I would like to set up a display of all the projects and donations we have made in the last few years so that the public is aware of what we do. I would have members there to meet and greet and answer any questions, along with documentation from Lions International. I would like to tie this into a community fund raising dinner/dance event for our new pavilion we are building.

That is about it in a nutshell.
