MEMBERSHIP PLAN FOR 2009-2010

September 23, 2009

Dear ZC Lion Freda Walker,

As you are aware we have a very active club in Elmira and through hard work over the past years we have increased our membership to 100 plus members. This does not mean we plan to sit back and relax. We are no different than any other club in that we lose members through attrition and busy schedules.

Our plan for the current Lions year is to increase our net membership by 5 to 10 percent. This will be done by inviting people from the area to our meetings, club fundraisers and work parties. We have not inducted any new members this year. We do have some good prospects.

As the membership chair in our club I plan to arrange an orientation meeting with new members and some 1 & 2 year members using the Lions Orientation Guide. Each new member will receive a copy of the guide for future reference. I also want to make sure that new members are placed on committees to get them involved ASAP in the club activities.

As Membership Chair I want to work with our President, Lion Norm Bader in spending more time promoting our club in the community through advertising fundraisers, work parties and donations made to various needs within our community.

Yours in Lions Service

PRC Lion Bert Martin
