

Membership Plan 2009-2010

Fergus Lions Club

The Fergus Lions Club have a membership committee of 3 which includes the president, past president (myself) the 2nd vice president and the membership chair (myself).

Membership recruitment continues throughout the whole year. A club brochure continues to be distributed at no charge by welcome wagon to new comers to our area. I want to have 5-10 minutes at one meeting a month for new member orientation. A "Bring a Friend Night" will be held probably in November and again in February.

Each new member is given a job on some committee and made to feel a kinship with other members. We have several ongoing projects like T V Bingo, Home & Leisure Show and Triathlon so there is plenty of opportunity to work. We now have 12 lady Lions in our club.

Visitation to other clubs is encouraged and all are encouraged to attend Zone & Cabinet meetings and take part in Conventions. Closer interaction with our neighbouring clubs like Belwood, Marsville and Elora will continue to be encouraged along with helping each other on projects if assistance is needed.

Our tail twister tries to have entertaining games and it is our objective to get more fun into our meetings.

Hilda Wainwright,

Membership Chair
