

## GALT-CAMBRIDGE LIONS CLUB

Galt-Cambridge plan to hold 2 information nights, 1 in November and 1 in March/April, encouraging members to bring guests for an informative presentation.

We plan to provide members with thought inspiring information available from LCI and elsewhere to identify prospects for membership in the club.

We have approved 1 new member for induction on November 3rd, 2009 and have 2 or 3 others on the horizon.

Our objective will be to end the year with 50 members.
