

Ingersoll Lions Club – Membership Plan.

Our Plan is a work in progress but this is what we have come up with so far.

- 1.- Have business cards printed up with each Lion's name etc. and a personal invite to join us at a meeting. Hand these out and get phone number to follow up.
2. Invite Interesting Speakers to our dinner meetings and announce ahead of time in the Community News in the Ingersoll Times inviting interested parties to call a Lion to attend with them.
3. Have items in the Ingersoll Times about events that have taken place at the Lions and/or spotlight a particular Lion with information on how/why they became a Lion and continue to be one.
4. Update our Lions Website and put the address on everything we hand out and continue to update monthly with events and articles.
5. Have more fun, play games, tell stories etc.
6. Maybe a family movie night on a regular basis for free to anyone in the community.
7. Update our foldup handout with information on what we do, have done and a brief info and picture of each of the Lions.
8. Invite a friend for our Christmas party and dinner.
9. Continue to have meetings through the year with the Membership Committee to expand on these ideas and find more.

I hope this is a good start to our plans for this year and we look forward to seeing new faces in the Ingersoll Club in the year 2009-2010 and beyond.
