

**Lions Club of Kitchener
Membership Plan 2011-2012**

As in past years, our club finds that having a “bring a friend night” works well for us. Thus we will continue this format. Since we started this format several years ago we increased our numbers from 55 to 75. Though now (June/11) we have dropped to 73 as a result of the collapse of the Branch Club in New Dundee, we continue to bring in new members.

We intend to have 2 sessions of these nights: for both meetings in the month of November and January. New members approved by the Board will be properly inducted and receive an orientation briefing. They will also be provided with a copy of the New Members Orientation Guide as on the A15 website.

At these sessions we will also have a power point presentation as it relates to the structure of the Lions organization and as well various informative videos that LCI has on their website.

We will promote membership in Lionism at our Family Day event during Oktoberfest and at other community functions that we hold.

The club has 2 zip banners, one depicting some of the local community activities and the other showing some of our global programs. These will be displayed whenever and wherever possible.

The club has prepared an information pamphlet for distribution and we also have a quantity of LCI pamphlets.
