

## **Kitchener Pioneer – Membership Plan (2011/2012)**

The Kitchener Pioneer Lions Club has had business cards made up for our members to give to prospective members which we are continuing to use.

Lion Ken Money Penny has 2 prospective members

Lion Chris Duncan has 1 member which we feel will be going.

We also have a project on trying to reclaim past members.

We now have 14 members and our objective is to have 20 members by the spring time.
