

## *Plattsville & District Lions Club*

### Membership Plan

As the membership chair for our club I am proposing to gain 15% membership in 2009-2010 we have sent flyers to all of Plattsville and surrounding areas letting the community know what we are about and what events we are planning.

I am working on an information night for interested parties or bring a friend night to come out and find out a bit more about what we do.

Tina Starich  
Membership Chair
