

Wellesley Lions Membership Plan

Our plan is to increase our membership by a net of two members.

We continue to promote the Lions member at all of our events and encourage all members to invite prospective new members as our guests at a dinner meeting.

We will continue to have an information booth at the Home and Garden Show. This event gives us an opportunity to talk to prospective members and pass out information on the Lions of Wellesley and Lions International.

We will have a “Bring a Friend” night in January to promote the club. Members are encouraged to bring a friend, neighbour, or relative who may be interested in becoming a member of our Lions club.

We will have a guest speaker who will give those in attendance a presentation of the working of Lions International, MDA, and District A-15. One of our members will give a presentation on the workings and activities of our club.

Our Club has discussed the possibility of forming a Leo Club as there is a group of youths who get together to do youth projects. Hopefully we can get together with the group and form a Leo club.

We will proceed with this project further in the new year.

Our “Bring a Friend” night had 14 guests with 9 guests becoming new Lions members. As of this writing we have received 2 requests for membership and several additional prospective possibilities that we are working on.
