

West Coast Lions

We had a meeting with the MERL team. From that we acquired business cards for the Club & some new publications from LCI.

We established a plan for a membership night on Monday, April 19th in Grand Bend at the Public School.

This week we are inviting prospects to the evening. We are planning a meal & ZC Tim De Block & IPCC Bill Carson will speak.

We had a successful shopping spree & handed out a coupon booklet with each ticket (1000) listing club meeting night, time, location, & contact name.
